Microsoft Honors Miicor Consulting with Excellence Award

Boise, ID – January 24, 2007 – Miicor Consulting was recently presented with the Microsoft Marketing Excellence Award for its achievements in building awareness to constituents in Idaho for solving business solutions using Microsoft technology. Miicor Consulting was singled out from the hundreds of Microsoft partners in the Northwest for leveraging Microsoft's marketing materials and programs and producing successful state-wide communications and awareness campaigns.

"Striving for excellence in customer satisfaction is of utmost importance," states Jane Dickson, Area General Manager for Microsoft Corporation. "We are thrilled about Miicor Consulting's accomplishments and strong leadership in our region and are proud of their success."

Miicor Consulting deploys numerous informational activities throughout the year in an effort to keep organizations in Idaho abreast of fast-changing technology developments. "With no major metropolitan areas nearby, there are few events that provide educational opportunities for our customers, states Dick Miiller, President of Miicor Consulting. "We are proud to offer these activities as part of our ongoing commitment to be the premier technology partner in Idaho."
