Microsoft, Cisco Systems and Miicor Consulting Sponsor a Statewide Business Solutions Tour in Idaho

Boise, ID – October 2, 2006 – Miicor Consulting, in cooperation with Microsoft and Cisco Systems is conducting a business solutions and technology tour in Idaho on October 10-13, 2006. This is an informational event designed to provide business executives and IT professionals with first-hand knowledge of how many enterprise-class business solutions have recently been tailored specifically for the small and medium size businesses.

This informational event begins with an Executive Briefing and continental breakfast followed by solutions sessions on:

- Microsoft Dynamics Business Solutions including Dynamics GP & Dynamics CRM
- VoIP & IP Communications
- Managed Network Solutions

There will be informational presentations, live demonstrations and technology professionals from Microsoft, Cisco Systems and Miicor Consulting on hand to discuss how these exciting technologies can drive the success of Idaho businesses. Those attending the event will also have an opportunity to visit the Microsoft Across America Truck; a 47-ft customized demo/display platform.
